Prize money for the four group classes contributed by Mr. Charles J. Lynn, Carmel, Indiana.

\$500.00 of the money offered in the individual classes contributed by the Chamber of Commerce of Montgomery, Ala.

We know all Polled Shorthorn enthusiasts join us in extending thanks to Mr. Lynn and the Montgomery Chamber of Commerce for their liberal contribution to this attractive premium list.

## *Standard Guarantee* OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

## Information for the Buyer

**MAIL BIDS** - Those unable to be present who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you. They may be contacted at the addresses listed, or they can be reached in Montgomery, c/o Whitley Hotel.

Representing **AMERICAN SHORTHORN BREEDERS' ASSOCIATION**  
Allan C. Atlason      Clem Larson      Ted Aegerter      Herb Rees

Representing **THE SHORTHORN WORLD**, 16 South Locust St., Aurora, Ill.  
Don Longley      Hal Longley

**SHIPPING ARRANGEMENTS** - It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.**

**LIABILITY** - Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Society, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

**TERMS** - The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

**GUARANTEE** - All animals sold in this Sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association, which is printed in this catalog.

LYNNWOOD SOUVENIR - one of the best sons of Glen Knolls Monarch. He was Champion Gold Medal bull and in the first prize Gold Medal Get of Sire at the 1951 Indiana State Fair. He was fourth prize Summer Yearling bull at the 1951 International and in the third prize groups of Three and Two Bulls at that show. Photo made in September 1951.

DAYBREAK'S REGENT - is a near ideal bull. He has developed above expectations since purchased at the Nebraska State Sale in November where he was Charapion. He was also a member of the winning Get of Sire class at the Nebraska State Fair. We have several cows mated to him to correct a possible mistake in selling him.

OAKWOOD HEADMARK - is a rich red, good headed, low set, naturally thick bull with rugged bone and substance. He is sired by a top son of Oakwood Hallmark, the 100% de-horner who sired outstanding calves for Ray Hardin. His dam, a deep bodied, heavy milking cow, is a double granddaughter of the noted sire, Browndale Conqueror.

S F RANSOM - combines the richest bloodlines of Scotland with proven Polled Shorthorn performance. He has a smooth polled head and his sire is a 100% dehorner. He has scale and ruggedness, with depth and thickness of body, an abundance of bone and at the same age is a replica of his noted sire. Oakwood Mainstay, 1950 International Reserve Champion Bull sold for export to Australia, and Oakwood Predictor, 1951 International Reserve Champion bull sold in service at Oakwood, are also sired by Commander In Chief.

**MALE****KENNER SHORTHORN FARMS

C F COLLYNIE 5TH - is ready for service and good enough to go into an outstanding herd to make improvement. We kept this bull especially for this Congress.

**KINTYRE ALCHEMIST** - is a nice even roan bull with a smooth body and good polled head. His dam is out of a Polled Sport cow whos get have been used in many top Polled herds and they have been uniformly great de-horners.

**MALE****LEWIS W. THIEMAN****27****KING OF THE VANITIES 130TH x2669-546 RE-T23**

			Oakwood Estelle 10th x1859884	
			Roan, C. B. Teegardin & Sons	

HILLSIDE ROYAL KING - is good headed - a solid red with a lot of style and character. His sire made an outstanding record at Cherry Hill and his dam topped the 1944 Congress Sale and produced several show cattle for Cherry Hill - this heritage takes the guess work away from this bull as a prospective herd sire. Half brothers have proved their ability as sires of outstanding cattle and we have a half brother as our Junior herd bull. This is perhaps the last opportunity to purchase a son of Edellyn Royal Leader 2d.

SHOW &amp; SALE

OAKWOOD ROTHES LEADER - Is a rich dark red bull of unusual inheritance. His sire was a champion and a sire of champions and is a grandson of the Perth Champion, Coldock Union Jack. His dam is a granddaughter of the Perth Champion, Royal Rothes, and his grandam is a granddaughter of still another Perth Champion, Calrossie Mercury. His body is deep, he is short coupled and a balanced bull. He certainly inherits the right to be a top sire.

12th Annual SHOW & SALE

Polled Shorthorns have consistently gained in world favor because they possess the characteristics of adaptability and efficiency. Coupled with ideal type they have all the advantages of other breeds and none of the disadvantages. They can give you all the superior money-making qualities of natural greater weight and early maturity of the Shorthorn, plus the money and time-saving attributes of the naturally hornless head. They can turn grass and roughage into cash income faster than any beef breed, and are easier to handle because of their quiet, easy-feeding dispositions.

The blood-lines of the International Grand Champion Bulls and Females shown here have supplied some of the master strokes in building the increasing present day popularity of Polled Shorthorns. Included in this Congress offering are sons and daughters... sisters and brothers... of the animals pictured here... all possessing the quality and type much sought for in modern Polled Shorthorns. Their excellent type tells you instantly something of the far-sighted vision which has gone into making this Congress the greatest assemblage of any consignment sale of Polled Shorthorns ever held in America.

FOREST GLEN GWYNNE 24TH - is a very thick, dark red heifer that stood third in class at the 1951 Eastern National. Bangs vaccinated. BRED JULY 8, 1951 TO FOREST GLEN MERRY KING X.

## The Answer: POLLED SHORTHORNS

Profit is the yardstick that governs the operations of the farmer or rancher who produces cattle for market, and these are the principal customers of breeders of purebreds. That is why Polled Shorthorns ARE GOING PLACES. They are the most efficient, most adaptable to all farm and ranch conditions. WHY? Because there is more room at the feed bunk or in shipping space with polled cattle. . . . Polled Shorthorns have that famous Shorthorn greater weight for age and earlier maturity . . . . they have retained their growthiness and attained the smooth modern covering of flesh so desirable in market cattle . . . . they produce more marketable meat in the same length of time on the same feed and do it easily and quietly, without fuss. There are many bulls in this sale which will be ideal for adding those extra 50 to 100 pounds to purebred, market or crossbred calves. **KEEP PACE WITH THE TIMES.** Breed Modern Polled Shorthorns - the kind you will find at the Congress. Give the producer the kind he wants.

# Polled Shorthorns Solid Foundations For Security

The beauty of the uniformity of the modern Polled Shorthorn is demonstrated by this beautiful group of females turning good grass into beef and cash for their owner. They are profitable and popular in feed-lot and pasture because of their excellent dispositions and natural hornlessness.

You will find good females like these in conformation and quality, as well as in breeding, in this year's Congress. There is no more solid, sure investment than a herd of Polled Shorthorns. At the Congress you can get the outlook and promise of the success you can achieve in your own Polled Shorthorn business, and you will find the right kind with which to start.

HILLSIDE HARMONY - A top heifer whose sire's record will long be remembered in Polled Shorthorns. Her dam is a heavy milker that produced a number of good heifers for Cherry Hill. We are keeping a sister to this heifer that shows a great deal of promise as a breeding cow. BRED to HILLSIDE ROYAL LEADER x2609257, our junior herd sire. The calf she carries will be line bred in the blood of Edellyn Royal Leader 2d, and should be a winner. This heifer stood 5th in class, including horned cattle at the Maryland State Fair. Herd T. B. and Bangs accredited. Bangs vaccinated.

This heifer is the undefeated Junior Heifer Calf of 1951, including the International. The first calf from her dam, a bull, sold at about 12 months of age at \$1400. This heifer is the cow's second calf. Her dam is one of the most outstanding young cows in our entire breeding herd.

*21st Annual SHOW & SALE*

## Polled Shorthorns

# The Breed with the Brightest Future

Polled Shorthorns are the nation's quickest converters of grass and roughage into cash. The Polled Shorthorn head is the head of the future. You'll buy them ultimately as the most efficient type of all modern beef cattle . . . why not start with them now? Their easy-feeding dispositions not only help toward quicker maturity, but also make them pleasant and safe in feedlots and pastures. Polled Shorthorns are a joy to own, pleasant to work with, return maximum profits on your investment and are truly America's own breed.

# National POLLED SHORTHORN Congress

## Good Bulls

## For Greater Progress

Investing in an outstanding purebred Polled Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage no amount of feeding and handling will ever develop it into a top animal.

Increased livestock efficiency requires the use of types which have demonstrated their ability to attain maximum weight for age at minimum cost per unit. The Polled Shorthorn ability to add natural hornlessness to that extra 50 to 100 pounds in weight which Shorthorn breeding can put on commercial steers by market time makes them popular immediately with cattlemen who must make the most efficient use of their land and cattle investment.

The Polled Shorthorn bulls in this sale will sire bigger calves that will gain and weigh more at any age . . . and make more efficient, more economical, profitable use of all feeds.
